

We are pleased to forward you some important information concerning the 31st edition of Mario-Robitaille National Soccer Tournament being held in the city of Granby, Québec, from August 14th to August 16th 2009.

Please note that team registration will take place at the Parc Dubuc, Picard Street. It is extremely important to have ONE member of your staff present at this location at least 1 hour prior to your team's first scheduled game. That person must have in hand the game sheets of your three (3) preliminary games and one without game number. You can get those game sheets from the following web site: www.tsisports.ca/sc/soccer/tournoi. The person in charge must also have the players' and coaches' passports in hand. The game sheets will be validated at the registration desk. Players who do not have the proper soccer identification documents cannot play in the tournament. At the time of registration, you will also receive all other information you will require to make your weekend truly enjoyable.

N.B.: Only one team member need to be present at the location at the Parc Dubuc with all the required documents. The other team members may proceed directly to the playing field.

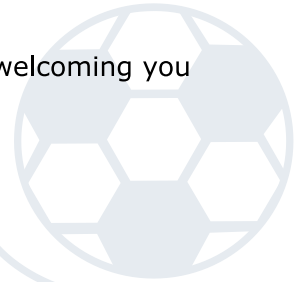

PLEASE NOTE THAT ANY UNAUTHORIZED AMENDMENTS OR MODIFICATIONS MADE TO THE TEAM PLAYER LIST ONCE IT HAS BEEN OFFICIALLY REGISTERED AND CERTIFIED WILL RESULT IN IMMEDIATE DISQUALIFICATION OF YOUR TEAM FROM TOURNAMENT PLAY

Teams must present themselves on the playing field at least thirty (30) minutes before the games's scheduled starting time. Prior to each game, every team must submit their validated game sheet to the tournament official who is stationed at the field. The official, along with the game referee will then verify the list using the players' and coaches' identification documents (passports)
